

Waddi Wind Farm

Community Reference Group (CRG) - Meeting Two

10 February 2026

Acknowledgment of Country

Introductions and apologies

Introductions – New Project Team Members

Tim O'Rourke

Stakeholder Engagement Advisor, Tilt Renewables

Eche Diaz (Online)

Project Manager, Tilt Renewables

Karen Boudville

Stakeholder Engagement Lead, GHD

Apologies

Lilian Dean

Stakeholder Engagement Consultant, GHD

Tonight's Session Goals

Session Goals

1. Welcome CRG members and introduce new project team members.
2. Review and confirm completion of actions from CRG Meeting #1.
3. Gather feedback on proposed 2026 CRG meeting dates.
4. Present an overview of construction plans, timeline, milestones, partners and communication approach.
5. Share updates on benefit sharing initiatives and the complaints register.

CRG Purpose and Terms of Reference

Recap of CRG Purpose

- Discuss the Project with a focus on construction related issues
- Raise awareness of local concerns and opportunities, and represent a broad range of stakeholder views
- Share community knowledge to understand and mitigate potential impacts
- Maintain a clear and consistent communication channel between Tilt Renewables and the community

Recap of Terms of Reference

- **Frequency:** Minimum of 4 meetings per year during construction
- **Venue:** Held in person at Dandaragan Community Resource Centre
- **Procedures:** Agenda shared 1 week prior to meeting

Outstanding Actions

Outstanding Actions

CRG #1: Recap and closeout of actions

Action	Owner	Outcome
<ul style="list-style-type: none">Draft 2026 CRG meeting calendarAdd complaints register to agenda	Tilt	Draft 2026 calendar to be discussed during this meeting. Review of the Complaints Register has been added as an agenda item.
<ul style="list-style-type: none">Confirm turbine origin and delivery route	Tilt	Turbine deliveries will travel from Perth to the site using Brand Highway, with local traffic management in place during these times.
<ul style="list-style-type: none">Confirm school bus routes and timing to inform TMP	SB	
<ul style="list-style-type: none">Confirm works accommodation	Tilt	The workforce will be staying in the Iluka Village Accommodation on Cataby Road.
<ul style="list-style-type: none">Confirm impact of the project on broader road network	Tilt	Traffic management plans are under review. Brand Highway users can expect normal traffic conditions at most times. There will be traffic management in place when site access is being built and during turbine component deliveries (e.g. blades and towers).
<ul style="list-style-type: none">Identify best channels for connecting with community members	CRG	To be discussed during this meeting.

2026 CRG Calendar

2026 CRG Calendar

Proposed dates

Meeting	Date	Project News/Milestones
CRG Meeting 2	Tuesday 10 February	<ul style="list-style-type: none">• Construction update
CRG Meeting 3	Tuesday 12 May	<ul style="list-style-type: none">• Sod turning recap• Community engagement update• Construction lookahead
CRG Meeting 4	Tuesday 11 August	<ul style="list-style-type: none">• First foundation laid
CRG Meeting 5	Tuesday 17 November	<ul style="list-style-type: none">• First blade delivery

												*2027 CRG meetings indicative only												

Key milestones

Mid 2026

- First foundation for wind turbines complete

Late 2026

- First blade delivery

Early 2027

- First wind turbine installed
- Last component delivered

Mid 2027

- Last turbine installed

Wind farm construction process

1 Early civil works (substation works and transmission access tracks)

2 Civil works (access tracks, hardstands and turbine foundations)

3 Pouring turbine foundations

4 Turbine tower construction

5 Setting the nacelle (or the 'brains' of the turbine)

6 Setting the turbine blades

7 Electrical works (stringing the transmission line, substation works)

8 Testing, commissioning and finishing works

Engaging with the community

Drop-ins and pop-ups

Local events to provide the community with opportunities to speak to the project team.

Advertising

Regular advertising via Redgum Reports, the Sandpaper and Mid West Times.

Site walks

Community events to keep up with the progress of the project.

Newsletters

Waddi Wind Farm Newsletter (approximately three editions annually).

CRG meetings

Quarterly meetings with CRG members.

Letters and emails

Mailouts to landowners, mailing list subscribers and key stakeholders at major project milestones.

Complaints

Making a complaint

General complaint

- Complaints and inquiries can be made in-person, via phone or email:
 - ☎ 1300 WE TILT (660 623)
 - ✉ Enquiries - WaddiWindFarm@tiltrenewables.com
 - ✉ Complaints - complaints@tiltrenewables.com
- General enquiries will be responded to within two (2) business days.
- Complainant will be provided a reference number.
- Seek to resolve complaints within seven (7) business days. If more time is needed, the complainant will receive an update at this point with likely timeframes to achieve the resolution.

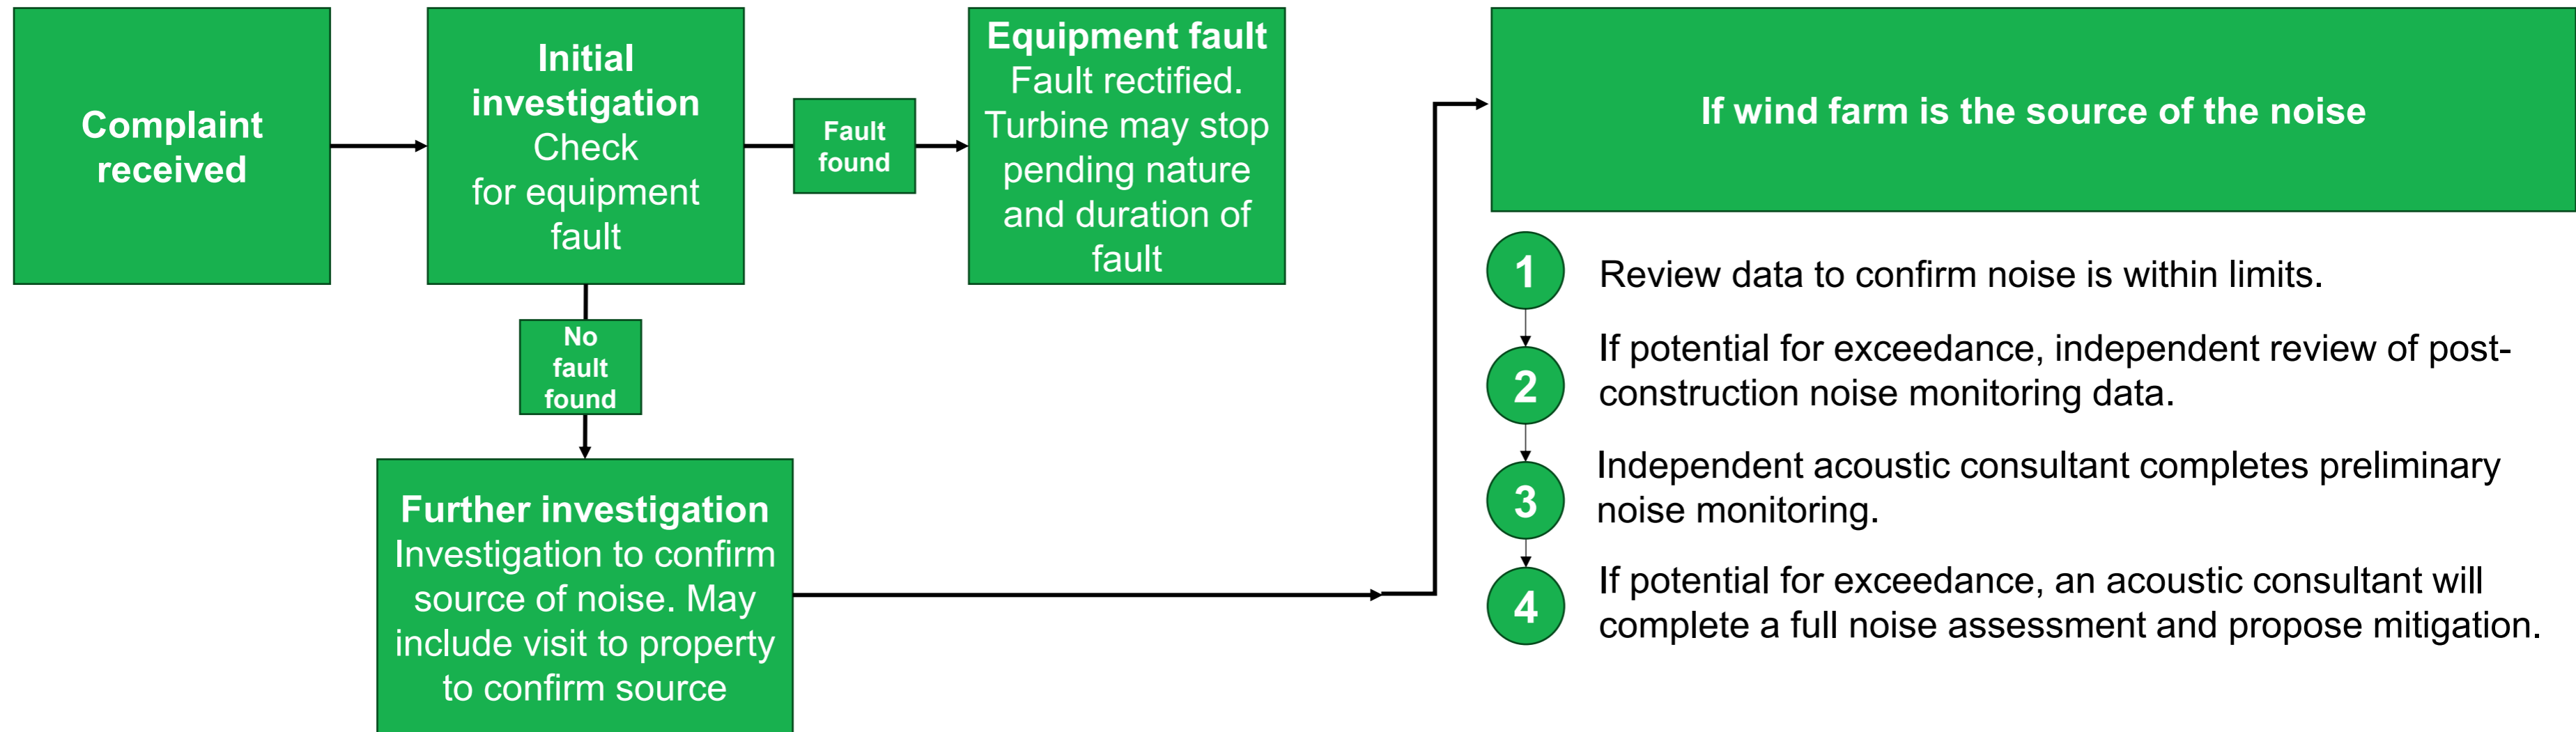

TV and Radio Complaints

TV or Radio signal complaint

- Complaints can be made directly to Tilt in-person or via phone or email:
 - ☎ 1300 WE TILT (660 623)
 - ✉ Enquiries - WaddiWindFarm@tiltrenewables.com
 - ✉ Complaints - complaints@tiltrenewables.com
- The complaint will then be investigated by a technician.

Noise complaints

Operational noise complaint process

Benefit Sharing

Budget Overview - Construction

- \$113,400
- \$1,050 / MW
- 75% broader community benefits - \$85,050
- 25% First Nations initiatives - \$28,350

Benefit sharing during construction

Budget overview - Operation

- \$3,402,000 (+ CPI) over 30 years (~\$113,400 per year)
- \$1,050 / MW
- 75% broader community benefits - \$85,050 per year
- 25% First Nations initiatives - \$28,350 per year

Next steps

- Need to establish a sub-committee to work with Tilt to guide benefit sharing for the project, including annual reviews of the benefit sharing arrangements.

Complaints Register

Complaints Register

Overview of Complaints Register

- Two complaints received to date:
 - June 2025 – Objection to wind farm
 - August 2025 – Gates left open

Next Steps

Next Steps

Actions

Minutes

- Drafted within 10 business days
- Feedback within 2 weeks
- Finalised 1 week after feedback

Next Meeting

- Tuesday 12th of May 2026
